

Renewable Generation Meeting

February 4th, 2010
LPEA Multipurpose Room

Saving
your energy

At La Plata Electric Association,
we're working to help
“save your energy”

Today's Meeting

- LPEA Renewable Generation Statistics
- Colorado GEO 2010 Renewable Rebates

Saving
your energy

At La Plata Electric Association,
we're working to help
"save your energy"

Local Renewable Generation Statistics

Total Installations

Year	Renewable Generation	
	kW	# of Systems
2009	245.7	73
2008	130.7	30
2007	41.0	17

At La Plata Electric Association,
we're working to help
"save your energy"

Local Renewable Generation Statistics

LPEA Renewable Funds Distributed

Year	Local Renewable Funds Distributed			Total
	Rebates	Projects	REC's	
2009	\$202,590	\$12,500	\$27,000	\$242,090
2008	\$79,740	\$25,400		\$105,140
2007	\$33,400			\$33,400
Total	\$315,730	\$37,900	\$27,000	\$380,630

Saving
your energy

At La Plata Electric Association,
we're working to help
"save your energy"

Local Renewable Generation Statistics

Local Economic Impact

Year	Local Economic Impact	
2009	\$1,965,376	@ \$8 /Watt
2008	\$1,307,250	@ \$10 /Watt
2007	\$410,000	@ \$10 /Watt

At La Plata Electric Association,
we're working to help
"save your energy"

Local Renewable Generation Statistics

Estimated kWh Production

Year	kWh Production			Total
	2007	2008	2009	
2009	65,846	209,944	394,549	670,340
2008	65,846	209,944		275,790
2007	65,846			65,846
Total	197,538	419,889	394,549	1,011,976

At La Plata Electric Association,
we're working to help
"save your energy"

GEO 2010 Renewable Rebate Program

Hew Hallock, GEO Southern Regional Rep

- Residential & Commercial
 - Solar Photovoltaic
 - Wind
 - Solar Thermal

Saving
your energy

At La Plata Electric Association,
we're working to help
“save your energy”

Thanks
