

2012 Scholarship Application

RMEL Foundation - 2012 Educational Scholarship

PROGRAM OVERVIEW

Introduction:

The purpose of the RMEL Foundation is to award scholarships to deserving and qualified students in engineering, business, information systems, plant, line or distribution technology, line worker or other curriculum related to the electric energy industry.

Awards:

Awards will be made in two categories:

- 1.) RMEL Foundation Scholarships. These scholarships have been historically awarded in amounts up to \$2,500. See the eligibility requirements below for these scholarships.
- 2.) RMEL Foundation Named Scholarships. These scholarships are provided by the Foundation in the name of the donor. The number of scholarships and amounts awarded depend on the funds donated. In addition to the eligibility requirements below, immediate family and employees of the donor are not eligible for these scholarships. The named scholarships will be listed on this application as they become available.

2012 Named Scholarship Companies:

- Ulteig Engineers, Inc.
- Wärtsilä North America, Inc.

Eligibility:

The applicant must be a high school senior, high school graduate or college undergraduate. In addition you must fulfill ONE of the following:

- 1.) Be pursuing or plan to pursue an electric industry position certificate or associate degree at a college (community college, 4-year college or a 4-year university) and be able to provide information about the specific program you are or will attend and the accreditation status of the institution
- 2.) Be pursuing or plan to pursue an undergraduate degree with intent to pursue a career in the electric energy industry. College undergraduates must be taking the minimum number of semester hours that the institution requires for the student to be considered full time.

If you are receiving educational assistance (tuition reimbursement) from your employer, you are not eligible for the RMEL Foundation scholarship. Applicant must be a U.S. citizen.

Application Instructions:

- This application form must be completed in its entirety.
- The application form must be signed.
- All applicants must submit a current, official high school transcript.
- College freshmen, sophomores and juniors must also submit a current, official college transcript. This is in addition to a high school transcript. Both are required.

- An official transcript is defined as one mailed directly from the educational institution to the RMEL Foundation or a non-tampered transcript bearing the seal of the institution mailed to the RMEL Foundation from you.
- Transcripts must be mailed not faxed.
- Both the application and the official transcript must be postmarked no later than the application deadline listed under Key Dates.
- Applications submitted via certified mail will not be accepted.
- Submit the last 4 digits of your social security number. Winners will be asked to provide their full social security number.

How Recipients are Chosen:

A Selection Committee of the RMEL Foundation reviews all applications and selects the recipients. The selection criteria are:

1. Goals and aspirations in the electric energy industry
2. Motivation to succeed
3. Service to community and school
4. Academic ability

Key Dates:

3/09/12 Postmark Deadline for Applications
4/13/12 Notify award recipients
