LPEA and 4CORE Host Pagosa Springs Sunnyside Community Solar Application Event

Pagosa Springs, CO — La Plata Electric Association (LPEA) and the Four Corners Office for Resource Efficiency (4CORE) announce an upcoming application event for the Sunnyside Community Solar program. Whether interested in applying or seeking information, the event offers comprehensive support.

Event Details:

- **Date:** Tuesday, August 6
- **Time:** 4:00 PM - 6:00 PM
- **Location:** Ruby Sisson Library: 811 San Juan St, Pagosa Springs, CO 81147

The open house format allows attendees to visit anytime between 4:00 PM and 6:00 PM. Paper applications will be available for general membership and income-qualified applicants. On-site assistance, including document copying services, will be provided by knowledgeable LPEA and 4CORE staff.

Applications for the Sunnyside Community Solar program will be accepted until August 29. This event provides an ideal opportunity to engage with program details, receive application assistance, and ensure a streamlined process.

Attendees are encouraged to mark their calendars, prepare questions, and bring necessary documentation for a smooth application experience. For more information, visit
