

## Policy 113: Director Recall Petition

A member may seek the removal of an LPEA director in accordance with Article III, Section 6 of the bylaws by submitting a petition signed by at least 1,000 members eligible to vote in the director's district at the time the petition is submitted to LPEA.

Rules: Petitions for removal of a director must be signed by at least 1,000 LPEA members who are eligible to vote in the director's district as of the date the petition is submitted to the LPEA. The Board of Directors recommends petition circulators obtain in excess of 1,000 signatures. All signatures must be physically gathered. Neither electronic petitions nor signatures will be counted.

Petition circulators, those drafting and circulating petitions, must be LPEA members. To ensure that petitions are signed by current LPEA members who are eligible to vote, only petitions submitted within 90 days of the first signature date will be considered.
